* vServer contracts are terminable with a period of 2 weeks to the end of the month.

Domains can be terminated anytime. Be aware of the contract periods of your domains. The contract period will be automatically renewed to further 12 months if you don't cancel the contract with a period of 4 weeks to the end of the contract period.

If you want to transfer your domain to another provider, please send us the corresponding CHPROV, which should be offered by the new provider.

Already paid or billed services are non-refundable!
